

Christine Mackay

INNOVATIONS
CHANDLER, AZ

Christine has been with the City of Chandler for the past 11 years as a member of the Economic Development team. During the past five years she has helped located or expand more than 125 companies in Chandler, brought 14,500 jobs, added nearly 6 million square feet to the industrial/office base and brought more than \$3.9 billion in capital investment in to the community. Some of the larger companies Christine has worked with in the past five years are Countrywide Home Mortgage, Marvell Technologies, Covance, Wells Fargo, Intel, Freescale, Bashas', Nikko Materials, Heraeus, Americredit, Space Data, Isola, Gold Canyon Candles, Verizon Wireless, First Credit Union, Orbital Science, Honeywell, Toyota Financial Services, ArmorWorks, Pearson, CDW, Hensley, ArmorWorks, Air Products, Ottawa University, Avnet, Creative Leather, Mediserve and Masco, to name a few.

In 2007, Christine was named the Economic Developer of the Year, Large Community, for the State of Arizona by the Arizona Association for Economic Development (AAED). Prior to that, in 2005, Chandler's Economic Development team was named the Arizona "Small Economic Development Organization of the Year" by the same organization.

Christine is a member of the Economic Development Director's Team for Greater Phoenix, which focuses on enhancing the region, and she participates in committees that include Maricopa Association of Government's "Building a Quality Regional Community", the Biosciences Roadmap committee through the Flinn Foundation, the Chandler Municipal Airport Master Planning Committee, the Arizona Association for Economic Development (AAED) and the International Economic Development Council (IEDC).

She grew up in Scottsdale, but moved to Chandler in 1992, and has spent most of her career in commercial real estate in the Metro Phoenix area. Before coming to Chandler, she was in private sector commercial real estate where Christine was the Research Director for a commercial brokerage firm.
